### *Expression of Interest from Timing, Scoring, Results (TSR) System Provider*

The National Games of India is the premier Multi Discipline Sporting Event held in the country, once in every two years. The 35th National Games is now tentatively scheduled to be held in the State of Kerala in Southern India during January / February, 2015. The National Games Secretariat (the “NGS”) is the Nodal Agency of the State Government of Kerala, mandated with the responsibility of organizing the 35th National Games of India. The 35<sup>th</sup> National Games will be held in 30 Venues located across seven Districts of the State of Kerala. Competitions will be held in 34 Disciplines over a period of 15 days, which will attract the crème-de-la-crème of the Sports Fraternity of India to the State of Kerala to participate in this largest multi-sport Event of India. The details of Venues and the respective Sports are attached as Annexure 1.

The National Games Secretariat intends to deploy modern Timing, Scoring, Results (TSR) Management System, primarily for the following out of the total of 34 disciplines:

1. Athletics
2. Aquatics
3. Canoeing & Kayaking
4. Cycling
5. Fencing
6. Gymnastics
7. Judo
8. Karate
9. Rowing
10. Taekwondo

NGS is undertaking an assessment of the TSR requirements and is finalising the modalities of procurement; whether to hire the Systems or to purchase the Systems. NGS may also consider the option of going for purchase of TSR Systems for certain Sports and hire option for a few other Sports. To facilitate better understanding of the options available with respect to TSR Systems, NGS intends to elicit techno-commercial information from suitably qualified and experienced Agencies, who are providing such Systems on outright sale / hire basis.

For this purpose, NGS is inviting non-committal **Expressions of Interest (EoI)** from reputed Service Providers to assess the nature of TSR Systems that can be offered for the above listed disciplines for 35<sup>th</sup> National Games and any other Sport included in the 35<sup>th</sup> National Games. From the experience of the Applicant, if it is assessed that TSR systems are adoptable for any other Sport discipline; the Applicant may propose such suitable TSR systems, along with the rationale for deployment of such system.

## ***Broad Requirements of the TSR System***

The National Games Secretariat (NGS) envisages that the TSR Systems and the supporting Services to be used in the 35<sup>th</sup> National Games should broadly have the following components:

### **1. Supply of Timing Scoring and Results Management Equipments**

The TSR System offered by a Vendor shall cover all the Hardware and the Software requirements that are fully in compliance with the technical requirements of the International Federation / National Federation for each Sport. NGS shall do a cost benefit analysis to assess whether a hire option or a purchase option shall be more suitable for the 35<sup>th</sup> National Games. NGS reserves the right to opt for a part hire and part purchase option, as well.

NGS has already engaged CMC Ltd., as the System Integrator, offering a Games Event Management System (GEMS), which has a module for integration of all TSR Systems for capture and display of Results on real time basis in which ever sport a TSR System is adopted. The inputs from the TSR System to be procured by NGS shall be integrated with the TSR Module of the GEMS System of CMC Ltd.

### **2. Installation & Commissioning of TSR Systems, Equipments & Accessories**

Once an Agency is selected, it shall be the responsibility of that Agency to deliver all the equipment of the selected TSR System to the identified Venues in the predetermined locations and ensure installation and commissioning of the same along with related Accessories. Additionally all the required temporary structures for the display boards/other equipments should be erected in accordance with the requirements of the common *look and feel* of the Games or the *Games Identity* of the 35<sup>th</sup> National Games being designed by NGS nominated Agencies.

### **3. Planning of display boards**

Depending on the size of the Venue, number of Spectators and the requirement of the adopted TSR System, appropriately sized Display Boards may be recommended by the Vendor to be procured on Purchase or Hire basis.

### **4. Operation and Maintenance of Equipments during the Games**

Whether NGS opts for purchase or hire, the Vendor shall be required to operate the TSR Equipments during the period of the Games. Necessary qualified and experienced manpower is to be provided for operating the equipment and associated software and for integrating the same with the GEMS Software of CMC Ltd. The TSR Provider shall also be required to provide maintenance and repair of the equipment during the Games. For these services, necessary Technical Support personnel shall be deployed by the TSR Provider in the Venue where the System is deployed.

It is envisaged that the Vendor shall have end-to-end responsibility of designing, supplying, operating and maintaining the TSR Systems during the course of the Games, irrespective of whether NGS buys or hires the System.

### ***Eligibility Criteria for submitting the EoI***

1. The Applicant should be a Company / Proprietary/Partnership Firm registered in India and should have been in operation for a period of at least 3 years; OR a Body Corporate from any part of the World.
2. The bidder should not have had any of their contracts terminated or blacklisted by any State or Central Government / PSU in India.
3. Bidder should have successfully executed at least one order of providing Timing, Scoring and Results Equipments on hire/supply for a National/International Sporting Event approved by the National/International Federation in the last 5 years.

### ***Contents of Application***

Interested parties may send their applications to the address mentioned below, enclosing the following details:

1. Name of the Firm/Company
2. Address
3. Contact Particulars
4. The Organisational Profile of the Applicant, along with the Product Profile being offered.
5. The Applicant may propose TSR systems for all or any of the disciplines listed above.
6. **Technical Documentation:** The applicant shall furnish brief write-up, catalogues, and technical specifications of the TSR Systems proposed to be offered for the 35<sup>th</sup> National Games.
7. **Details of Approvals:** The applicant shall provide details of approvals of their equipment by the respective International / National Federation. Copies of Certificates from the International / National Federation to be enclosed.
8. **Usage in major events:** The applicant shall provide details of major National Level/International events where they have supplied TSR Systems. **Copies of the signed Contract Agreements / Purchase orders / Letters of Award and Completion Certificates from Client should be attached as proof.**
9. Uptime Guarantee – The applicant shall specify the uptime guarantee they can provide for the TSR Equipment
10. For each Sport Discipline listed above, the applicant shall specify the make, model and specification of equipment proposed to be offered. The Applicant may propose TSR systems for all or any of the disciplines listed above.
11. The Applicant shall specify whether there are 2 options: (i) Purchase Option (ii) Hire. The approximate percentage at which the Hire option is available may be indicated in case of Hire Option.(as a percentage of the Purchase Price)

12. All exclusions from the Applicant's Scope and the inputs and support measures required from the National Games Secretariat/Organising Committee for deployment of the TSR system should be detailed.

***Terms and Conditions***

- A. NGS reserves the right to not to follow up this EoI and terminate the entire EoI Process, without assigning any reason or without any obligation to any of the Applicants.
- B. This EoI in no way forms any commitment or indication of any business from NGS.
- C. Submission of the EoI shall not guarantee an automatic selection or empanelment of the Applicant.
- D. Each Applicant shall be liable to individually bear the cost of data collection, preparation and submission of this EoI.

***Modalities of EoI Submission***

1. The envelope should be superscribed "EOI from TSR Provider".
2. The EOIs should reach the Office of the **Chief Commissioner & Principal Coordinator of NGS** in the below mentioned address, before 4 pm on June 28, 2014. Late submissions will be rejected.
