

Corrigendum No. 2 to the Request for Proposal (RFP) dated 10.11.2014

Corrigendum No. 2 to the Request for Proposal (RFP) for the selection of an Agency for Design, Development and Operation of Three modular Sewage Treatment Plants (STPs) of 250 KL capacity each (totaling to 750 KL capacity) for the Games Village of the 35th National Games

Tender No: 42/CENGS/2014-15

Date: 18/10/2014

This Corrigendum is published in response to queries received from various potential bidders based on publication of Corrigendum 1.

1. Section 1.1 (I) Page (8) is revised as below:

1. The Bidders are required to quote for the entire scope of work detailed in Annexure VII, failing which the Bid will not be considered for evaluation. However, the chemicals for Chemical Precipitation/Advanced oxidation etc. mentioned in the schematic flow diagram is indicative and the bidder are free to suggest suitable chemicals so that the treated water meets the surface water standards stipulated by KSPCB.

2. Project Summary (Page 10) stands modified as

TABLE 1: PROJECT SUMMARY

Name of the Project	Design, Supply, Construction, Installation, Testing, Commissioning, Operation, Upkeep and Maintenance of Modular Sewage Treatment Plant (STP) based on chemical treatment process having a total capacity of 750 KLD, comprising of three modular Units, each having 250 KLD capacity based on pre-fabricated fast installation concept.
Name of the Project Authority	National Games Secretariat (NGS), Nodal Agency of the Government of Kerala (GoK) for organizing the National Games

Project Description	The Project Components are as follows: Sewage Treatment Plant (STP) Modular Sewage Treatment Plant (3 nos. of 250 KLD Plant), each consisting of 1. Primary Treatment System involving Chemical Precipitation Process 2. Secondary Advanced Oxidation System with Aeration 3. Tertiary Treatment System with Filtration and Disinfection 4. Treatment Water Collection and storage for Reuse 5. Sludge handling system 6. Dewatered sludge to be packed and stored in covered space within the STP area for safe disposal.
Eligible Bidder	A single Corporate entity meeting the technical and financial criteria as stipulated in the pre-qualification OR A Consortium of maximum 2 members, with the lead member individually meeting at least 75% of the Financial Qualification with the other member meeting the balance of maximum 25%. Both the members together should meet the Technical Qualification.
Duration of Project	2 months Implementation Period and 20-30 Days Operations Period from the date of commissioning and handing over
Payment milestones	Stage wise release of up to 90% of the payments against on successful physical completion of each milestone and Balance 10% after the successful completion of the Operations Period

3. Section 1.2 (b) Key Dates Page 11 stands revised as below:

The following Key Dates stand revised as below:

No	Events	Details
5	Last date for Submission of Bid	12-11-2014
6	Date and Time for Opening of Technical Bid	15-11-2014
7	Date and Time of Opening of Financial Bids	To be intimated later
8	Declaration of Successful Bidder	To be intimated later

The bidders who have already uploaded may resubmit the bid, if they feel necessary.
